TAX SEASON

- Tax return preparation is not offered for the 2027 filing season.
- Clerical tax-season work, such as source-document indexing, only with §7216 consents in Rev. Proc. 2013-14 format that you obtain, with SSNs masked, inside your environment.
- We never e-file, sign returns or represent clients.

BUSY SEASON

Reserve capacity by 30 November. Overflow hours from 15 January to 15 April carry a 20% premium.

Start with a pilot

NO SETUP FEE

AUSTRALIAN FIRMS

Pilot batch

- Up to 40 hours or 15 jobs at list price
- No setup fee
- 50% of the first batch up front, then fortnightly invoices on 14-day terms

US FIRMS

4–6 week pilot

- Hourly rates, minimum 40 hours
- No setup fee
- Signed agreement, data protection addendum and our security plan before any client data moves
- Notice: 30 days

EVERY TIER INCLUDES

- White-labelled management reports and decks
- An NDIS and SCHADS specialist when you need one
- A promise not to solicit or accept your clients, during the engagement and for 24 months after
- For Australian firms, a quality-management evidence pack and a client-consent template
- Dashboards and reporting under your brand at 25% off list

Preparation only. Australian firms supervise, review, sign and lodge under their own registration; we are not a registered tax agent or BAS agent. In the US we do not prepare or file tax returns, e-file or represent clients. Prices may change after the launch period; your engagement letter fixes the rates that apply to you.
